

Schulich Leader Scholarship

Students interested in pursuing Science, Technology, Engineering, or Math (STEM) studies at a partner university are invited to apply to this national award. See www.schulichleaders.com for detailed information.

Belmont can nominate ONE student for this award.

Please complete this form, attach necessary documentation, and return to Ms Handy, in the Belmont counselling suite, by **1 pm on Thursday, Dec 1, 2016**

First Name _____

Surname _____

Email address _____

Phone Number _____

1. Please list up to 3 universities and programs that you are considering applying to:
 - _____
 - _____
 - _____
2. In 300 words or less, please describe which 2 of the following 3 criteria fit your application status, and based on these criteria, why you should be considered for Belmont nomination (please attach a separate sheet of your type-written response):
 - Academic excellence
 - Leadership (community, business, or entrepreneurial)
 - Financial need
3. In 50 words or less, please describe where you see yourself in 10 years (this response may be noted on the same page that you are attaching for #2 above).
4. Please attach an up-to-date high school transcript; this may be requested from your counsellor-of-record, or Mrs Gunn, in the counselling suite. 24 hours notice is appreciated.
