Current Business:

Miller: rent for prom for Songhees nation a rollout floor, not actively looking to purchas

Emergency Planning:

Update from Melanie Armstrong

Next meeting May 31st 7-9pm

SPEAC President Brenna Robinson will be approaching the board with funding request. District will be revising emergency release forms and release drill procedures. Aim is for an emergency release drill every year. Date for 2018 is October 19th. School board has committed to 2 clerical staff to do emergency release form pushes each year. Board is also looking into having this information filled out on line. 2018 full mock drill at Elem level. 2019 full mock drill at middle school level. ESS does not take responsibility for minors in disaster situations when school admin is in charge. ESS does not commandeer the in school supplies that are set aside for students. Paul Block the district facilities manager has suggested using some of the AFG grant to build structures for emerg. planning supplies, a few each year. Cautiously optimistic that the school board will help fund supply purchase.
