Congratulations to Ben C., Christine C., Blair T. and Isha C. who are members of the **BC RCMP Youth Advisory Committee (YAC)**. These students were selected from youth across BC to participate as youth advisors. Youth advisors connect with a diverse group and engage in an open, safe and lively discussion about issues affecting youth crime and victimization. They inform current and new youth issues, priorities and strategies for the RMCP. All four students were invited to attend the 2018 BC RCMP Youth Advisory Committee Workshop over on the mainland on March 2 -4, 2018. Ben, Christine and Isah attended the workshop and had the opportunity to network and connect with other YAC youth. For more information about the RCMP Youth Advisory Committee please see Mrs. Nicholson or Mrs. Hyde in the Career Centre.
