Re: School Facility Update

Dear Belmont Families and Students,

I hope all of you have had a wonderful summer and look forward to the first day of school on Tuesday, September 3 which will be the first day for Grade 9's (grades 10-12 start on Wednesday, September 4).

I wanted to update you on the status of our new portable and other projects completed over the summer. The SD62 staff have been working hard all summer making improvements at most schools throughout the district, including Belmont. While staff are continuing to work on the projects, the new portable may not be ready to go for the beginning of school which could cause some minor delays to class locations. We anticipate the new portable will be ready for occupancy by mid-September if not earlier.

In addition to the 3rd portable, we have new fencing added to our automotive area for secure storage, our parking lot was repainted, the gym floor was resurfaced, and 7 new hallway benches for students installed.

We will send out updates to you as work progresses on our school. Should you have any questions, please do not hesitate to contact the school at (250) 478-5501.

Thank you for your understanding,

Sincerely,

Mr. J. Lamond
Principal
Belmont Secondary School
