## Greetings from the Belmont Music Dpt.

The **Belmont Music Department** has jumped straight into things this fall. Ensembles and student combos alike have hit the ground running in preparation for a full calendar of events.

The annual fall icebreaker, “**Meet the BMD**” was enjoyed by members of all grades. Games were played, dance routines learned (thanks to student dance volunteers!), and a fantastic family barbecue ended the evening. Our instrumentalists in Concert Band and Drum Line have had day-long retreats (one each!) including guest directors to perform clinics, bonding activities, and the highlight: pizza. The Drumline had their first public gig playing for the Westshore Rebels Football team in October. They have been invited back to welcome the fans at Westhills Stadium during the Rebels’ National Championship Game on Saturday November 12<sup>th</sup>.

**Concert Band and Concert Choir** members are putting the final polish to repertoire in preparation for their fast-approaching two-day trip to the **Comox**

**Valley Music Festival.** Schools from around the island will participate in this event to share a love of music and gain valuable insight and advice from esteemed music directors. The BMD is looking forward to supporting our Royal Bay counterparts (& sharing a hotel).

As is Belmont tradition, the BMD will host our **Winter Concert at 7:00 pm on Thursday, December 8<sup>th</sup>.** All ensembles will be performing, in addition to student combos and solos. Following the successful format of last year’s Spring Concert, the Winter Concert will be held in two locations in order to highlight the nature of our variety of performers and showcase the versatility of some of the wonderful learning spaces in our new school. Admission is by donation and seating is limited, so come early!

The **Advanced Dance** classes have been working hard preparing for our performance in the **Santa’s Lights Parade November 26<sup>th</sup>**. We are excited to get in our new dance swag. You are sure to see dancers walking around in their new BELMONT DANCE jackets.

The **Dance Performance** class has completed their Jazz and Lyrical unit and is

currently working on Hip-hop. All dancers are getting ramped up for our semester end performance Jan 20<sup>st</sup> and Jan 21<sup>st</sup>.
