Please answer the following questions in the space provided. Feel free to add additional paper if necessary.

1. Describe the goals that you believe AVID will help you achieve.

2. Describe activities that take up much of your time outside of regular class, such as athletic, recreational, musical, service, community, or family activities.

3. Describe what you believe a “successful student” does in class and out of class. Also, explain what you believe you need to change about yourself to become like this successful student.

4. Describe what you have discovered about yourself as a learner, both in school and outside of school. (Tell us about the way you like to learn, the subjects you like/dislike, what is difficult and what is easy).
