Behaviour Expectations for Prom 2026

We are looking forward to an enjoyable and safe Prom 2026 event for our Grads. For this to occur, just a few reminders:

1. Students and guests who leave the Prom at any time will not be re-admitted.
2. Students who invite guests to Prom are directly responsible for the behaviour of the guest. If a guest fails to comply with school code of conduct, they must leave the event and the student who invited them must leave as well. Guests must be accompanied by the host when entering Prom and must leave no later than the host leaves.
3. If any student comes to the Prom under the influence of drugs or alcohol, or is using drugs or alcohol at the event, the student will be asked to leave and parents will be contacted.
4. After students leave the event, we ask them to make smart choices and be safe.

A group photo will take place at 5:00 pm on the stairs of the Parliament Buildings.

Upon arrival at the Crystal Garden, we will have members of our administration team at the front doors to welcome students, conduct a bag and jacket search, and then check them into the event.

Once in the event, it is general seating. In other words, student select where they would like to sit.
